

THE UNIVERSITY CLUB

How does automatic charging work?

You will receive a paper bill each month that you have a balance. You do not have to pay from this bill. This bill is for your records and review. If everything is correct, your part is done. On the **6th** of each month your month end statement balance will be charged to your credit card. This service is available to you for the low **annual** fee of **\$25.00** which will be charged to your member account. It's that simple!

How do I sign up?

Just fill out the information requested on the charge authorization form and either mail, email, fax, or bring it by the clubhouse. Email to mharney@universityclubbr.com
