

## ***Swimming Pool Provisions***

- Life Guards required to be on duty during **Peak Season (June thru August)**
- During **Non-Peak Season (September thru May)** the following should apply:
  - Pool should only be accessible during regular club operating hours
  - Signs should be posted "Swim at your Own Risk"
  - Waiver forms must be signed and kept on file
  - Children under 18 must be accompanied by an adult
  - Slide must be closed if life guard not present
- Diving Blocks should be restricted to swim team competitions and sanctioned events
- Pools should be surrounded by a fence with self-closing gate
- Republic's Golf Club Package Policy *does not* offer the capability to exclude the pool from liability. The exposure is located at the property location being insured thus it is part of the insured's risk exposure. The policy is designed to protect the Insured against all liability exposures on the property.
